MUSIC, RESOURCES, FUN & PRIZES

Conserving energy is not only good for the environment, but being good stewards of resources has the added benefit of saving you money, savings that could be put toward other opportunities. Learn about selecting appropriate equipment and energy saving practices you can use at home, the office, or other business facility.

SCHEDULE

Register at the KC Green table (#15) to be eligible for prizes

11:15 - 11:40 AM Music by KC Green Band, set 1

11:40 - 11:50 AM Neighborhood Recognition Program Award
